Overall Length:

9.600 inches

Overall Height:

0.190 inches

Overall Width:

2.390 inches

End Application:

Nsn 2320-01-123-1610, light armored vehicle, air defense

Product Name:

Lever, visor

Special Features:

Next higher assembly niin 01-467-5460, cover assembly, protective

Color:

Color 34094, camo green, of fed-std-595

Material:

Stainless steel

Surface Treatment:

Passivate and primer and plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
