Overall Length:

23.270 inches

Overall Height:

1.267 inches

Overall Width:

8.087 inches

End Application:

Nsn 2320-01-123-1610, light armored vehicle, air defense

Product Name:

Visor, lower

Special Features:

Next higher assembly niin 01-467-5460, coverassembly, protective

Material:

Steel and stainless steel

Surface Treatment:

Primer and plastic

Thread Size And Series/type Designator:

0.250-28-2b unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
