End Application:

2420-01-532-3399, tractor, wheeled, industrial

Product Name:

Window frame, assembly, frt upper case bhl-b kit

Vehicle Design Control Activity:

19207

Special Features:

Finish: iaw mil-dtl-53072, color (green color no 383) -900 or tan (color no 686a) -950 (desert appl) , nha-12537492-1, measurement: outside framelength-852.8 mm, width-522.6 mm; inside frame length-723.2 mm, width-393 mm

Material Specification:

Mil-a-46100, steel, plated, 4.8 mm (0.188 inch) nomial thk military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A543e0

Mil-std (military Standard):

Mil-a-46100 spec.
