Fabrication Method:

Extruded

Overall Depth:

0.375 inches

Overall Height:

1.000 inches

Length:

8.320 inches

End Application:

2320-00-289-6473

Mounting Method:

Hole

Issue Form:

Specific length

Material:

Steel

Material:

Steel

Surface Treatment:

Enamel

Style Designator:

Straight channel

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T231-h
