Diameter:

23.000 inches

Thickness:

2.750 inches

Covering Material:

Fabric, stockinet, nylon w/rubber coating

Cushioning Material:

Plastic, vinyl, cellular, mil-p-14401, type 2, class vs

Support Method:

Reinforcement

Support Material:

Aluminum

Covering Location:

Outer

Special Features:

Pad and reinforcement split on one side

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
