Effective Length:

42.000 inches

Core Construction:

Wire rope

Flexible Conduit Material:

Steel

Core Diameter:

0.125 inches

Core Processed End Connection Type:

Adjustable threaded adapter

Flexible Conduit Outside Diameter:

0.370 inches

Travel Distance:

2.500 inches

Core Material:

Steel

Special Features:

Retaining ring groove on both ends of conduit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524c0
