Body Material:

Steel

Tempurature Rating:

Not rated

Body Outside Diameter:

5.500 inches

End Application:

3930-00-738-5938

Extended Length:

16.000 inches

Pressure Rating:

Not rated

Integral Valve Operation Method:

Hydraulic

Port Location And Quantity:

1 center section

Port Style:

Gasket seal

Port Thread Series Designator:

Unf

Port Thread Diameter:

0.438 inches

Port Thready Qty Per Inch (tpi):

20

Port Thread Class:

2b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
