Hazardous Locations/environmental Protection:

Waterproof and dustproof

Body Width:

2.060 inches

Actuator Style:

Round

Actuator Diameter:

1.082 inches

Actuator Height:

Between 1.560 inches and 1.680 inches

Maximum Voltage Rating In Volts:

28.0 dc

Nonpile-up Contact Arrangement:

1 pole, double throw, both positions maintained single switch unit

Terminal Type And Quantity:

3 tab w/screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
