End Application:

2320-00-077-1640

Special Features:

Terminal soldered to conductor per specification mil-s-6872 with solder comp. Sn 50 or sn60 specification qq-s-571 or resistance weld rubber comp sc 515 abc, f, g specification mil-r-3065

Fsc Application Data:

Wiring haness branched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
