Effective Length:

68.800 inches

Core Construction:

Wire rope

End Application:

For main battle tank m1

Core Diameter:

126.900 inches

Flexible Conduit Outside Diameter:

0.342 inches

Travel Distance:

5.530 inches

Features Provided:

Adapter and fixed mounting shoulder

Core Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524c0
