Temperature Rating:

Not rated

End Application:

2420-00-567-0135

Design Characteristics:

Single acting single cylinder

First Piston Rod End Style:

Bushing type

Mounting Type And Location:

Ring cylinder head end

Port Location And Quantity:

1 piston rod end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A34200
