**Mounting Provision:**

Lugs

**End Application:**

Truck forklift, drexel industries, model fl-60-eehs

**Integral Valve Operation Method:**

Hydraulic

**Design Characteristics:**

Single acting single cylinder

**First Piston Rod End Style:**

External threaded

**Mounting Type And Location:**

Lug cylinder head end

**Port Location And Quantity:**

1 piston rod end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
