Overall Length:

27.000 inches

Overall Height:

10.500 inches

Overall Width:

4.750 inches

End Application:

2350-01-338-3116

Material:

Aluminum alloy 5083 or aluminum alloy 5086

Material Specification:

Qq-a-250/6 federal specification single material response or qq-a-250/7 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
