Width:

635.000 millimeters

Diameter:

25.4000 millimeters

Length:

250.000 millimeters

Cushioning Material:

Plastic, polyurethane

Support Method:

Reinforcement

Covering Location:

Outer

Special Features:

Foam pad polyurethane open cell foam one side adhesive backed.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T141-e
