End Application:

2320-01-354-4528

Unit Package Quantity:

9

Component Quantity:

9

Component Document Origin:

Industrial

Document Source:

62982

Component Document Page Number:

0b.17234-000 item33327

End Item Source:

62982

Sterility:

Nonsterile

Accessory Controlling Agency:

Great bend industries great bend ks 67530

Accessory Identifying Number:

33327 part no.

Disposition After Initial Use:

Nonreusable

Component Controlling Agency:

Great bend industries great bend ks 67530

End Item Name:

2320-01-354-4528

Special Features:

Seal kit p/n 33327

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
