Fragility Factor:

Moderately rugged

End Application:

2320-13-544-528

Special Features:

Grease i.D, s of rod lug and base lug

Material:

Steel

Quantity Per Shipping Container:

1

Shipping Container Quantity Per Pallet:

1

Surface Treatment:

Chromate

Special Test Features:

Critical buckling load 60, 000lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
