**Overall Height:**

10.000 inches

**Mounting Hole Quantity:**

3

**End Application:**

Bradley

**Product Name:**

Bracket, crew access unit

**Special Features:**

CARR-IE-R,C-OMMA

**Material:**

Aluminum alloy 5083 or aluminum alloy 5086 or aluminum alloy

**Material Specification:**

Qq-a-200/4 5083-h111 federal specification single material response or qq-a-200/5 5086-h111 federal specification single material response or qq-a-250/6 5083-h321 federal specification single material response or qq-a-250/7 5086-h32 federal specification single material response or astm b 209 assn standard single material response or astm b 221 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A042a0
