Mounting Hole Quantity:

3

End Application:

Truck, cargo - nsn 2320-01-354-3386 - medium tacticle vehicles

Product Name:

Support, rear lower crossmember

Material:

Steel

Material Specification:

Astm a572, grade 50 assn standard all material responses

Surface Treatment:

Primer and paint

Surface Treatment Specification:

Mil-p-53084 military specification 1st treatment response and mil-c-46168 military specification 2nd treatment response or mil-c-53039 military specification 3rd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-p-53084 spec.
