Overall Height:

8.000 inches

Overall Width:

2.480 inches

Mounting Hole Diameter:

Between 0.192 inches and 0.196 inches

Mounting Hole Quantity:

12

End Application:

Nsn 2320-01-413-3739 - truck, utility (hmmwv)

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response or b205 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
