End Application:

2350-01-069-6931 107mm mortar carrier

Product Name:

Ammo rack support

Special Features:

Mas differentiated from 10918067 far side panel hole size diameter (hole code a) is 1.300-1.425. Near side panel hole size diameter (hole code b) is .438-.500. Protective finish per paragraph 2.4 drawing 12350824.

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
