Mounting Hole Type:

Plain

End Application:

M939, fov

Product Name:

Wrecker, cab support "a" frame weldment

Surface Treatment:

Paint

Surface Treatment Specification:

Tan 686a chip no. 33446 iaw fed-std-595 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
