Overall Width:

1051.0 millimeters

Overall Thickness:

20.0 millimeters

End Application:

Mrap - unique nsn - used on 3 mrap variants

Mounting Position:

Right side

Product Name:

Panel-side-middle right-weld

Special Features:

Panel consists of 2 side window base (material: sae 1008-1016), 1 right side middle panel, 9 bushings (material: st 52-3)

Color:

Tan, 686a

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
