End Application:

Mrap - unique nsn - maxxpro cat i

Product Name:

90 degrees nozzle for body supression system

Special Features:

Mfg name-90 degrees nozzle for body s. System, part includes part no 33142220, 3.14 pipe, quantity of 1 each, number 9161202, fitting t12l quantity of 1 each, number 9162035 fitting evge 12l x 1/4 quantity of 2 each, number 33012001 foam nozzle quantity of 2 each, brass nickel, electrical replated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
