Overall Height:

251.0 millimeters

Overall Width:

620.0 millimeters

Mounting Hole Type:

Plain

End Application:

2320-01-549-8565, truck cargo

Product Name:

Bracket vehicular components

Special Features:

Multiple mounting holes

Material:

Steel comp 1008

Material Specification:

Astm a1008 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
