### **End Application:**

2320-01-564-6882; truck tractor

## **Retaining Device Type:**

Chain

## Thread Diameter:

4.000 inches

#### **Product Name:**

4 inch alum cap and strainer kit

#### **Special Features:**

Number 545 screw 10-32 x .75 inch Ig on bottom of strainer

#### Material:

Aluminum

#### Surface Treatment:

Zinc

# Style Designator:

Locking type non-vented

## Thread Series Designator:

Unf

#### Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

#### Fiig:

A083a0
