**Mounting Hole Quantity:**

3

**End Application:**

2320-01-544-9638

**Product Name:**

Spacer assembly, mirror

**Special Features:**

This item has critical welds law drawing 12479550; length from bracket arm mounting hole center to end is 3.093 and width from bracket arm end to mounting hole center is 1.585; see drawing for additional details

**Material:**

Stainless steel

**Surface Treatment Specification:**

law drawing 12480694 except topcoat shall be black mfr ref single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A042a0
