**Overall Length:**

16.438 inches

**Overall Height:**

0.625 inches

**Overall Width:**

1.5 inches

**Mounting Hole Quantity:**

12

**Overall Thickness:**

0.625 inches

**End Application:**

5411-01-587-0839, shelter, expandable

**Product Name:**

Ceemc, roller and sleeve attachment plate.

**Special Features:**

8 holes drilled through 0.328 inches, 4 holes drilled through 0.484 inches. -2 part number is for right side.

**Material:**

Aluminum alloy 6061

**Material Specification:**

Sae ams-qq-a-250/11 thickness 0.625 inches. Assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
