Inside Diameter:

60.0 millimeters

Overall Length:

80.0 millimeters

End Application:

6640-01-547-1760; petroleum quality analysis system

Specific Use:

Used to fill tank

Product Name:

Fuel filler neck

Vehicle Design Control Activity:

19204

Vehicle Identification Designator:

Pqas

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A520u0
