Vehicular Components Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2590-01-627-4697

Overall Length:

4.5 inches

Overall Height:

7.25 inches

Overall Width:

4.08 inches

Mounting Hole Type:

Slotted all holes

Overall Thickness:

0.1875 inches

End Application:

2355-01-481-8570, light armored vehicle

Product Name:

Floor support

Special Features:

Weight: 1.7 lbs

Material:

Aluminum alloy 5052

Material Specification:

5052-h32 iaw astm b209 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A042a0
