Overall Length:

22.75 inches

Overall Height:

27.03 inches

Overall Width:

13.75 inches

Mounting Hole Quantity:

24

Overall Thickness:

0.25 inches

End Application:

012521402

Product Name:

Rack assembly, upper radio

Special Features:

Weight: 32.76lbs

Heat Treatment:

Quenched and tempered

Color:

White

Material:

Steel

Material Specification:

Astm a576 or astm a108 assn standard all material responses

Surface Treatment:

Paint

Surface Treatment Specification:

White color no 17925 of fed-std-595 assn standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
