Overall Length:

25.76 inches

Overall Height:

11.83 inches

Overall Width:

15.23 inches

End Application:

2355-01-616-9288, mine resistant vehicle

Product Name:

Weldment, strut bridge weldment

Vehicle Design Control Activity:

19207

Vehicle Identification Designator:

M1270

Color Chip Number:

33446

Color:

Tan, 686a

Material:

Aluminum alloy 5052

Material Specification:

5052-h32, iaw astm b209 assn standard all material responses

Surface Treatment:

Carc (chemical agent resistant coating)

Surface Treatment Specification:

Fed-std-595 federal standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
