Overall Length:

8.25 inches

Overall Height:

2.750 inches

Overall Width:

3.50 inches

Mounting Hole Quantity:

2

End Application:

2350-01-577-0830

Product Name:

Support, hammer

Special Features:

See drawing for further details

Material:

Aluminum alloy

Material Specification:

B209 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
