**Inside Diameter:**

1.50 inches

**Overall Length:**

3.00 inches

**Mounting Method:**

Screw

**End Application:**

Boat, harbor

**Specific Use:**

To add nessary fluids to vehicle

**Product Name:**

Filler neck, vehicular components

**Special Features:**

Cap threads 1-1/4in-11-1/2; 30degree angle on neck

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A520u0
