Width:

3.75 inches

Thickness:

0.250 inches

Length:

4.88 inches

End Application:

2350-01-369-6086; carrier, command post

Cushioning Material:

Rubber

Product Name:

Pad

Material Specification:

Astm d2000 assn standard 1st material response

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
