**Application Design:**

Industrial tractor

**Size Designation:**

6.50-10

**Body Material:**

Rubber, natural

**Inflation Device Type:**

Tr150a

**Inflation Device Position:**

On center

**Construction:**

Regular

**Base Construction:**

Standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A009a0
