Service Type And Tread Design:

Off the road road grader traction

Tire Air Retention Method:

Tubeless type

Tire Ply Arrangement:

Bias

Tire Strength:

12 ply rating

Tire And Size Designation:

14.00-24 numeric

Special Features:

Industrial code - g-2; outside diameter - 53.6 inch; section width - 14.4 inch; tread depth - 31/32 inch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A504s0
