Maximum Inflation Pressure:

65.00 pounds per square inch

End Application:

"bhl 2420-01-532-3399"

Tire Air Retention Method:

Tubeless type

Tire Ply Arrangement:

Bias

Tire Strength:

10 ply rating

Item Type Category:

Tire

Special Features:

Tire size 12-16.5 nhs; service type: industrial tractor; specification: manufacturer's part number; load capacity (lbs): 3700

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A504s0
