Tread Pattern:

Grooved

Features Provided:

No flaps

Tire Air Retention Method:

Tube type

Tire Ply Arrangement:

Bias

Tire Strength:

6 ply rating

Product Name:

Air military bias aircraft tire

Tire And Size Designation:

15x6.00-6 numeric

Service Type:

Aircraft helicopter

Item Type Category:

Tire

Special Features:

Restricted to manufacturers cage code and part number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A504s0
