Tread Pattern:

Rib

End Application:

Steer axle 10k forklift

Features Provided:

No flaps

Tire Design:

Wholly constructed solid core

Product Name:

Tire, 700x15 slb eli

Tire And Size Designation:

7.-15 industrial

Service Type:

Industrial forklift

Special Features:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A504r0
