Width:

2.750 inches

Thickness:

0.438 inches

End Cut Angle In Deg:

45.0

Unit Package Type:

Box

Usage Design:

Pneumatic tire

Design Type:

Plain

Content Within Each Unit Package:

100 to 200 lb

Cushion Gum Facing:

Not included

Special Features:

Issued as specific length

Material:

Rubber synthetic

Specification Or Standard:

2 type and a class and 3 style and b group

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T318-c
