## NSN 2640-00-240-2061

Valve Core - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2640-00-240-2061

Core Environmental Protection:
Heat resistant and corrosion resistant
Commercial Core Length Designator:
Standard
Spring Material:
Steel, stainless
Size Designation:
Standard
Spring Tension Type:
High
Accessory Type:
Valve
Fsc Application Data:
Pneumatic tire
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T318-e
