**Core Environmental Protection:**

Heat resistant

**Commercial Core Length Designator:**

Short

**Spring Material:**

Steel, corrosion resisting

**Size Designation:**

Standard

**Spring Tension Type:**

High

**Supplementary Features:**

U/w nsn 4820-00-546-2345 and nsn 4820-00-856-8514 valve pneumatic

**Fsc Application Data:**

Valve, inflating connection

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T318-e
