## NSN 2640-00-267-2989

Valve Core - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2640-00-267-2989

Core Environmental Protection:
Heat resistant
Commercial Core Length Designator:
Short
Spring Material:
Steel, corrosion resisting
Size Designation:
Standard
Spring Tension Type:
High
Supplementary Features:
U/w nsn 4820-00-546-2345 and nsn 4820-00-856-8514 valve pneumatic
Fsc Application Data:
Valve, inflating connection
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T318-e
