Strokes Per Cycle:

4

Cooling Type:

Direct water

Outboard Drive Tilting Mechanism Operating Method:

Hydraulic motor

Brake Power Rating:

40.0 horsepower

Product Name:

Evinrude 40 hp, power tilt, long shaft, four stroke outboard motor, year 2000

Special Features:

Long shaft; the letters ss at the end of part number e40pl4ss, represent the year 2000 model

Fuel Type:

Gasoline

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T274-a
