Cylinder Quantity:

2

Starting Method:

Electric or manual

Cooling Type:

Direct water

Piston Displacement:

2.588 cubic inches

Product Name:

Evinrdue e-tec 40/inline 2

Special Features:

Full throttle operating range 5000-6000 rpm; direct injection fuel; 40 hp

Fuel Type:

Gasoline

Supplementary Features:

Power trim & tilt or manual tilt; color - blue; epa 2006/carb 3 star/european union 2006 compliance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T274-a
