End Application:

Timing case install, engine

Component Quantity:

2

Component Document Origin:

Industrial

Document Source:

13446

Document Type:

Maintenance parts list

Component Document Page Number:

43

Document Identification:

0531-lp-104-4021 item 13

Product Name:

Helical gear

Special Features:

Idler gear kit includes helical gear and bushing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
