Cylinder Quantity:

6

Cooling Type:

Direct water

Special Features:

Engine outboard cw; four stroke; 300 hp; full throttle rpm 5800-6400; fuel induction system smartcraft dts 4 valves per cylinder dual overhead cam; electronic fuel injection; alternator amp-70 amp/882 watt belt driven; starting smartcraft electric turn key; gearcase ratio 1.75; mercury power steering hydraulic; exhaust system through prop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T274-a
