Body Style:

Plain ends

End Application:

Aircraft engine-2800

Special Features:

Consists of pns73342, 73155, and 26240

Material:

Steel

Material:

Steel

Precious Material And Location:

Od silver

Precious Material And Weight:

0.260 silver ounces, troy

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09500
