**End Application:**

F-15 aircraft

**Product Name:**

Lock, landing gear return pressure sensing valve aircraft ground safety

**Special Features:**

Pressure valve lock; material aluminum and steel; anodized and nickel plated; 3 inches long by 0.6 inch wide by 0.6 inch thick

**Supplementary Features:**

Ref to 1f-15a-4-6

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T267-h
