End Application:

F-15 aircraft

Product Name:

Lock, landing gear return pressure sensing valve aircraft ground safety

Special Features:

Pressure valve lock; material aluminum and steel; anodized and nickel plated; 3 inches long by 0.6 inch wide by 0.6 inch thick

Supplementary Features:

Ref to 1f-15a-4-6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T267-h
